

Sté Techno Systems s.a.r.l.

Project reference

THE GARTEN Uberhaus - Biel

Supply & installation of 120TR of DX type Air conditioning units including:

Outdoor open space cooling

Copper Pipes installation

3000kg Galvanized duct

100% fresh air systems

Jet nozzles air diffusers

ATLAL PLAZA – Near Casino du Liban

Supply & installation of 400TR of Air cooled water chillers including:

AHU's Energy recovery type.

25000kg Galvanized duct

Kitchens Ventilation & hoods

Chilled water pipes installation

BMS control system

Smoke removal & ventilation system

BLOM BANK – Amioun, Baabda, Antelias, Chyah, Dekwaneh, Bikfaya, Hazmieh, Furn el Chebbak.

Supply & installation of air conditioning units (VRV & DX type) including:

G90 Galvanized duct

VRV pipes & control

Dehumidifiers

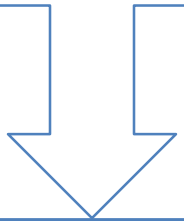

Exhaust & fresh air systems

Motorized Fire & smoke dampers

DIWAN AL ATLAL- Cascada Mall-Taanayel Bekaa

Supply & installation of 130 TR air conditioning units DX type including:

G90 Galvanized duct

Refrigerant pipes & control

Kitchen hoods

Exhaust & fresh air systems

Motorized Fire & smoke dampers

CEDRUS BANK-Achrafieh, Dora, Dora headquarters.

Supply & installation of air conditioning units (VRV & DX type) including:

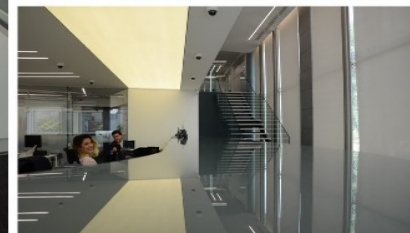

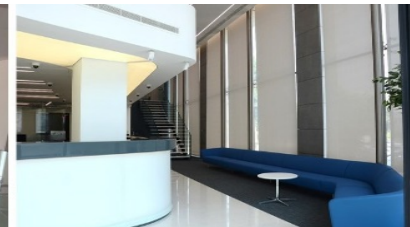

G90 Galvanized duct

VRV pipes & control

Dehumidifiers

Exhaust & fresh air systems

Motorized Fire & smoke dampers

JUST CAVALLI – Beirut Souk

Supply & installation of
20TR Air Handling
Units
including:

3000kg Galvanized
duct

Chilled water pipes
installation

Fire alarm system

Exhaust & fresh air
systems

ABC FRANCHISE - Souk Beirut - Saida Mall - City Mall

Supply & installation of 100TR of Air Handling Units including:

3000kg Galvanized duct

Chilled water pipes installation

Exhaust & fresh air systems

Motorized Fire & smoke dampers

SERGENT MAJOR – Saida Mall

DUMOND – City Mall

TOMMY HILFINGER – Souk Beirut

CAROLL – Souk Beirut

TCHE TCHE – Beirut, Hamra

Supply & installation of 100TR of DX type Air conditioning units including:

3000kg Galvanized duct

Copper Pipes installation

Kitchen Hoods

Exhaust & fresh air systems

Motorized Fire & smoke dampers

DOMANE DE KSARA - winery - Zahlé, Bekaa

Supply & installation of 200TR of Air cooled water chillers including:

6000kg Galvanized duct

AHU's Special Design for Winery

Chilled water pipes installation

BMS control system

Humidifier systems

CASTLE DEHNI - Feytroun, Kesrouan

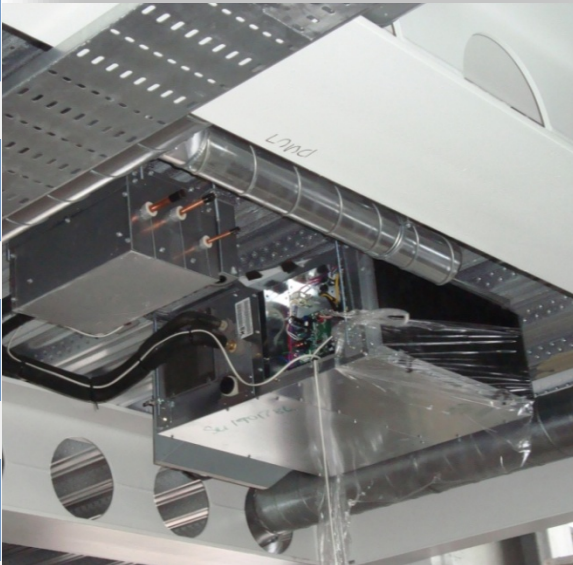

Supply & installation of
90TR of Air conditioning
VRV systems including:

1500kg Galvanized duct

Concealed type indoor units

VRV pipes & control

BMS control system

CASTLE MILAD JABBOUR Ballouneh, Kesrouan

Supply & installation of 150TR of Air conditioning DX systems including:

16000kg Galvanized duct

Concealed type indoor units

pipes & control

BMS control system

Guest-House
Ballouneh

M.A.J
Tel:09/231 962
Fax:09/231 963

SAINT JOSEPH – Ghabeh, Broumana

Supply & installation of 60TR of Air conditioning VRV system including:

1500kg Galvanized duct

Concealed type indoor units

VRV pipes & control

BMS control system

PEPSI COLA– Chweifat, Lebanon

pepsi

Supply & installation of 40TR of Air conditioning DX systems including:

Galvanized & Stainless Steel duct

Concealed type indoor units

Copper pipes & control

Dehumidifier systems

HINTRAG – Zouk Mosbeh , Lebanon

Supply & installation of
35TR of Air Cooled Water Chiller including:

1900kg Galvanized duct

Double Skin, Food Grade Type Air Handling units

Chilled Water Pipes & controls

Dust Collector System

COCA COLA– Khaldeh & Tripoli - Lebanon

Supply & installation of 60TR Heat Recovery Type Air conditioning including:

Air Cooled Condenser Type

Special design AHU's with Dehumidifier systems

Installation of Copper pipes

Temperature & Humidify Digital controllers

WOODEN BAKERY – Zouk Mosbeh

Supply & installation of 60TR DX Type Air conditioning system including:

Heating/Cooling Concealed type.

6500kg Galvanized duct

Installation of Copper pipes

Exhaust & fresh air systems

And More....
